SME Certification

Updated January 22, 2024

At Aetheer, we take pride in announcing that we have been recognized as a Small and Medium sized Enterprise (SME) by the Ministry of Economy and Commerce of Costa Rica.

This recognition underscores our dedication to economic growth and quality service delivery. Below, we detail our SME certification and government recognition.

SME Certification

Aetheer has obtained the SME Certificate issued by the Ministry of Economy and Commerce of Costa Rica. This certificate confirms that we meet the criteria set to be recognized as a Small and Medium-sized Enterprise in the country.

International Standard Industrial Classification (ISIC)

We operate under the International Standard Industrial Classification (ISIC), also known as CIU in Spanish. Our business activity is categorized according to international standards to facilitate the understanding and classification of our operations.

Government Recognition in Costa Rica

Aetheer is a government-recognized company in Costa Rica, allowing us to offer our services nationally and internationally. This recognition supports our ability to contribute to the country's economic development and deliver quality services on a global scale.

Ongoing Commitment

We are committed to maintaining the standards that have earned us this certification and recognition. We will continue to work diligently to provide quality services, drive economic growth, and contribute to the development of Costa Rica.

For more information about our SME certification and government recognition, feel free to contact us.
